

5. What were the two best things about the Celebration?

Seeing my TASS group again
as well as the people who came
before and after me.

Also the fact that the weekend
was paid for by the Association.
It was extremely helpful.

5. What were the two worst things about the Celebration?

My ~~only~~ only complaint is that
beyond the introductions at the
welcome breakfast, we didn't
have a "getting to know you" period.
I think we could have benefitted
from a mixing up of the different
TASS groups for informal discussions
or even ice breakers.

6. Do you have any other comments about the Celebration, TASS, or Telluride Association?

This was a great opportunity
to reconnect with fellow TASSERS
and learn more about Telluride
Association.

Thanks!
