

Research Meeting  
August 15, 2013

Over the next two weeks, we will be focusing on work related to investigating and refreshing our top charity recommendations. We aim to release updated research and recommendations by November 1st.

Staff also discussed the August 14 board meeting; audio and attachments from that meeting will be available shortly at <http://www.givewell.org/about/official-records>.

*All research meeting notes available at <http://www.givewell.org/research-meetings>*
